## HAJJ

This sacred journey we undertake,  
Is purely done for Allah's sake,  
But when to Makkah Muslims go,  
They must have the means you know,  
And the Hajj will have more benefit,  
For Pilgrims who are physically fit.

They'll see the Ka'bah or Baitullah,  
Which is the Qiblah in our Salah,  
They will wear Ihram you see,  
Make Tawaf and perform Sa'e,  
Which are rituals they must make,  
While the Hajj they undertake.

And at Arafat they will meet,  
Despite the blazing sun and heat,  
And the Hajj will reach its peak,  
While Allah's Mercy pilgrims seek,  
No matter what their colour or race,  
To seek His pleasure and His Grace.

So much there is to learn and see,  
When Muslims display such unity,  
They who come from near and far,  
And it doesn't matter who they are,  
As long as Allah is their goal,  
And they purify their soul.

Remember too, right from the start,  
Virtues of each Rukn form part,  
Of the Hajj in all its essence,  
Not to mention all the lessons,  
And the blessings without measure,  
That we get by the Almighty's pleasure.

## *Plan your plans*

*One day Bobby an airplane cleaner was cleaning the pilots' cockpit when he saw a book entitled "How to fly an airplane for beginners. Volume One". He opened the first page which said, "To start the engine, press the red button." He did so and the airplane engine started. He was happy and opened the next page. "To set airplane moving press the blue button." He did so and the airplane started moving at an amazing speed. He wanted to fly so he opened the third page which read, "To let the airplane fly, please press the green button." He did this and the plane started to fly. He was excited!!!! After 20 minutes of flying, he was satisfied and wanted to land so he decided to go to the fourth page.*

*He fainted after reading the instructions..... The fourth page read, "To learn how to land, please purchase Volume Two at the nearest bookshop!!!!"*
